

Jacob's Well

September 2018

The readings for the month of September are based on the lectionary for the Season of Creation, a season of the church year (like Advent, Christmas, Epiphany, Lent, Easter or Pentecost) which celebrates God as Creator and invites every worshiper to consider his or her relationship to creation. The Season of Creation is considered "optional" but there is no other season which focuses in the same way on God as Creator, Redeemer, and Sustainer of the universe.

From the Pastor...

***Ever since the creation of the world,
God's eternal power and divine nature,
invisible though they are,
have been understood and seen through the things God has made."
Romans 1:20 NRSV***

Dear Members and Friends of Old Saratoga,

Greetings in the grace and peace of Christ.

Earlier this month, when I was at the funeral home to lead a memorial service, one of the family members of the one departed noticed the cross I was wearing around my neck. It's a cross I've been wearing for several decades, but few people ever really ask about it. So I was surprised when this individual came over to say, "I like your Celtic cross," and then asked me why I wear a Celtic cross.

I was happy to explain that for me, the **Celtic cross** is a reminder of the love of God in Christ and the sacredness of all creation. The ancient Celtic religion in Europe, which preceded Christianity by some 900 years, held a deep respect for the earth and its creatures, the trees and plants, the cycles and seasons. Their life, religious traditions and worldview, were closely tied to the creation. When Christianity came along, many of the old Celtic spiritual ways were prohibited or lost. But thankfully, there has been a survival of the Celtic spiritual wisdom, and today there are people who know themselves as Celtic Christians, who hold deeply to the sanctity of creation and its relationship to the God of Life.

I wear the Celtic cross because I believe that my life- and all our lives- are inseparably bound to God's creation; and if we want to grow in wisdom and love, it is good to learn in part, "*through the things God has made.*" Rom.1:20) Often in his own teaching, Jesus pointed to things in creation to help others understand the divine nature of God.

With this in mind, and the present concern for the health of the Planet Earth, you may be interested to know that on the Sundays of September 9,16,23 and 30, we will be following the **Season of Creation** lectionary in our worship. This will be the third year that we have celebrated the Season of Creation. On the first page of this newsletter you can find the themes and scripture readings for each of these Sundays.

In our worship of God as the Loving Creator, we hope and pray that our relationship with God and all that God has made will grow in reverence, wisdom and gratitude.

As the seasons change, and autumn draws near, may we look to God to teach us what we need to know about faith and life "*through the things God has made.*"

*Faithfully yours,
Pastor Joyce deVelder*

"On June 30 unfortunately I tumbled down the stairs. Your body gets a whack as well as your savings account. Duffy and Chris Garney went through my clothes and brought some to the hospital as I went empty handed. After 6 days I was transported to Wesley rehab for 14 days. I was blessed with a lot of visitors: Bruce, Ron Hamm, Susanna Combs, Robin, Gerry, Sue and Gene Usher, Cindy, Barbara Vincent, Jenn and of course Joyce, David and Mikael.

Thank you Patti and Mark for washing the communion cups for me and taking care of refreshments on the last Sunday in July. Thank you, Robin, for food for a few days after I came home. Thanks to Paula and Doug for picking me up for church service, and to Cindy who drove me quite a bit and made sure that I got my showers; to Jenn Legg for driving me and for the visits. Thank you, David, for taking care of my mail, and watering my flowers, and other things, too numerous to mention. Thank you to Joyce for all the visits you made to me; driving me to Ortho NY and for the flowers. Last but not least it was great to get so many cards.

*All in all, quite an experience, hopefully not to be repeated!
My love to all, Anna*

SYMPATHY

The church extends sympathy in Christ to the family of **Raymond D. Brownell**, 73, who died on July 12 at Albany Medical Center Hospital. Raymond was the firstborn son of **Susanna (Susie) Flanders Murphy**. Raymond was a skilled woodworker and loved the outdoors. He is survived by his mother, five siblings, two daughters, grandchildren and great grandchildren. His funeral service and burial were held on July 18 in Schenectady, NY

The church family extends sympathy in Christ to the family of **George William Cromie**, 83, who died on Aug. 4 in Deltona, FL, where he and his wife **Margaret** had lived for the past 16 years. Mr. Cromie's parents, **Roland and Angela Cromie**, were active members of Old Saratoga many years ago. George, at the age of 13, joined Old Saratoga in May, 1948, by confirmation of faith. He graduated from Schuylerville Central School in 1952, and went on to work for many years for the NY S Dept. of Transportation. He is survived by his wife **Margaret**, and their three children, **John, William and Anastasia** and their families. A memorial service was led by **Pastor Joyce** on Aug. 13 at Flynn Brothers Funeral Home with burial following in Prospect Hill Cemetery.

DINE TO DONATE UPDATE

The fundraiser held last June at the Recovery Room Restaurant in Malta added **\$116.92** to the General Fund. 15% of the total checks of the 39 people who participated was given to the church. Thanks, **Amber**, for organizing this fun and easy way to help!

SUMMER LETTER OF APPEAL

Our summer letter of appeal was mailed at the end of June. Contributions to date total **\$1355**. We thank all those who have sent in a donation. We rely on these gifts to defray the expenses of the church during the summer, when people are away on vacation and not able to attend worship.

CONSISTORY NEWS

At its August meeting, the consistory accepted, with regret, the resignation of **Elder Paulette Foote**, who resigned due to health issues. The consistory members thanked her for her past years of service. Paulette hopes to continue chairing the Property Committee and singing in the choir. The consistory will wait to fill her vacancy until November, when the church holds elections of elders and deacons at our meeting 11/18.

OUR 3rd QUARTER MISSION *Mariposa DR Foundation*

We will be receiving donations for the Mariposa DR Foundation through the months of July, August and September. The Mariposa DR Foundation was founded in 2009 in Cabarete, in the Dominican Republic (DR) with the goal of helping women and girls find their way out of poverty. Girls from the Dominican Republic (and neighboring Haiti) come to Mariposa (which means "butterfly") to receive education and learn work skills, such as sewing.

HYMNS OF OUR FAITH

"Sing to the Lord, you saints of his: praise his holy name." Psalm 30:4

"My Tribute"

***"To God be the glory, to God be the glory,
To God be the glory for the things he has done.
With his blood he has saved me; with his power he has
raised me***

To God be the glory for the things he has done."

Andre Crouch, contemporary musician and composer, took a cue from a famous hymn writer of the 19th century and used it as a basis for a modern day chorus of praise.

In the 1870s, Fanny Crosby wrote the hymn "To God Be the Glory." Despite being blind from shortly after birth, Crosby wrote some 8,000 hymns and gospel songs with over 100 million copies printed, probably making her the most prolific hymn writer of all time. Common themes of her hymns were redemption through Jesus' sacrifice, and the hope for eternal life in God's presence.

Andrae Crouch (1945-2015) was a songwriter, pianist, arranger, record producer and pastor. Contemporaries referred to Crouch as the "father of modern gospel music." Crouch picked up on the first verse of Crosby's hymn and wrote a glorious chorus of praise which he entitled "My Tribute," which reiterates Fanny Crosby's theme, but also echoes Psalm 29:2: "Ascribe to the Lord the glory due to his name." Like Crosby's hymn, "My Tribute" confesses two essential doctrines of the Christian faith; salvation through Christ's atoning sacrifice and new life to all believers in Christ's resurrection.

All too often, our approach to God in prayer is to first petition for the things we want from God; telling about our situation, our needs, our desires. We ought first to recall the "great things God has done," as both Crosby and Crouch remind us in their hymns and choruses. Our first words in prayer should echo Psalm 29:2, ascribing to the Lord the glory due his name.

The psalmist David wrote, ***"It is good to praise the Lord and make music to your name, O Most High, proclaiming your love in the morning and your faithfulness in the night."*** (Psalm 92: 1-2 NIV)

WORSHIP COMMITTEE NEWS

The Worship Committee, in an effort to keep worship fresh, has made several changes in our service.

We have already begun to have "Prayers of the People" on the last Sunday of the month, when three people of the congregation offer the Prayers of Thanksgiving and Intercession. Members of the committee have modeled the format, but we will be asking for volunteers to take a turn. You would only need to write three or four sentences for one of three parts: Thanksgiving, Intercession for those in the church, community and world, and Intercession for the wider church.

Beginning in October, we will be using an updated version of the Lord's Prayer, so that it is not a "rote" prayer, but will cause us to think more about what we are praying. At the end of December, evaluation of the congregation's feedback will determine whether we continue to use it. It will be printed each week in the Sunday bulletin, as follows:

***Our Father in heaven, hallowed be your name,
your kingdom come, your will be done, on earth as
in heaven. Give us today our daily bread. Forgive
us our sins as we forgive those who sin against us.
Save us from the time of trial and deliver us from
evil. For the kingdom, the power, and the glory
are yours, now and forever. Amen.***

Now that we have our new sound system, liturgists are asked to stay after worship on **September 16** to try out the microphone to see how to project their voices so that everyone is able to hear the Scripture.

Coming Up:

1. Season of Creation Sermon series –Sept.
2. World Communion Sunday – 10/7 with a new Holy, Holy, Holy
3. Reformation Sunday – 10/28
4. All Saints Sunday- 11/4

Christopher Tucker and Bruce Guerineau are working on having a Fall hymn sing with *"This Time Around."* Check out the October JW for more information.

PROPERTY COMMITTEE REPORT

The Property Committee reports that this summer the floor in Loomis Hall has been cleaned, waxed and buffed, the lift was inspected, and the parsonage north porch roof has been replaced. **Doug Sheely** has completed work on both the stairs into the parsonage. Both of the parsonage chimneys will be repointed later on in the fall. Additionally, several sheets of Lexan will be installed in the near future over the priceless stained glass windows, replacing the old plexiglass.

This summer our insurance carrier sent an inspector to evaluate our "insurability". He was very complimentary about the condition of the building. The committee thanks the consistory and the congregation for being so supportive of all the recent projects which were undertaken. They especially are grateful to **Mr. P. Richard Bauer**, whose generous bequest to the church made possible all the updates and improvements that have been done.

The next meeting will be Sept. 10 at 7pm

HELP FOR THE GIVING CIRCLE

A few weeks ago we learned about the **urgent need** of The Giving Circle for \$75,000 in funds to address a situation in Uganda where, in 2009, they had started an orphanage (the Koi Koi House) for children. They recently learned it will be shut down for political reasons by the government, along with other orphanages in the country. There are currently about 20 children who call the Koi Koi House "home."

The Giving Circle also runs Busoga School on land it owns. If they can build a boarding house addition onto the school, it will provide a safe and loving environment for the children who have lived in the orphanage – and for others who will come. Currently, boarding schools are acceptable to the government.

We are happy to report that, as of the end of August, The Giving Circle has collected \$63,000 in just a short time. They are still \$12,000 short of their goal. The Deacons of Old Saratoga voted to give \$1000 to the boarding school project from our Bottle and Can Mission Fund, which has already been gratefully received by The Giving Circle.

If you, the members and friends of Old Saratoga, would like to make a personal donation toward this urgent and worthy project to help the children, you can do so through the church. **Checks can be made to OSRC, earmarked "The Giving Circle."** We will be collecting donations through the month of September. Our treasurer, **Chris Garney**, will send to total donation in early October.

Thank you for all your help and prayers for the compassionate work of The Giving Circle. For more information, go to their website.

(The Giving Circle of Saratoga Springs is a 501 (c) 3 not for profit organization run by volunteers and co-founded by Mark and Kelly Bertrand of Schuylerville, NY.
