Guest Editorial (excerpted from a sermon on 6/7/20)

Dear Members and Friends of Old Saratoga,

After 38 years, we find ourselves in the position of needing a new minister. I believe it is important as a congregation to identify what we believe about God in order to identify what we are looking for in a new pastor. Are we going to be a rule oriented church or a grace oriented church? Do we want a minister who will keep us in line or a minister who will lead us closer to God's love and grace by example as well as by the message of his/her sermons?

One of the new initiatives we had just begun before the pandemic put things on hold was looking into becoming a Room for All church which welcomes people of the LGBTQ community into our worship and fellowship. It is not enough to open our church to them with our minds and say they are welcome unless our hearts are filled with God's grace. It is not about loving the sinners while hating the sin. If we look at them in judgment, then we are not really welcoming them and are not worthy to be called a Room for All congregation. I hope we will soon be able to resume the process of learning about becoming a Room for All church. Although I have strong feelings about how this should end up, regardless of the outcome, I think just going through the process is important. I think it is good to question and define our beliefs and to make decisions based on an awareness of our true beliefs not just on the habits of the past.

I for one, hope we call a minister who will continue to teach us God's grace and to lead us to explore new ways to share that grace, while staying true to the values that require us to take a stand against evil. I hope we will find someone to help us expand our mission programs. Many years ago, we gave to missions at the end of the year if there was enough money left in our bank account. Under Pastor Joyce's time here, we worked on that and now have a budget that includes mission gifts, and as treasurer, I track donations for the various missions we support and send out donations throughout the year. It's a definite improvement, but I think we can do better. We are really good about working together to raise money to keep our church going. Yet I fear that if our goal is only to survive, then we will only survive. I truly believe that we need a mission project that goes beyond me writing checks and involves us in helping others if we are going to thrive, instead of just survive.

As hard as it will be to be without a pastor, I hope we will use this time wisely to grow in our understanding of what it means to follow Christ and what message we want to share about God.

God created all of us. Jesus came to save all of us. The Holy Spirit is available to all of us. I pray that God will continue to bless our congregation as we move forward and help us to share his grace and love with our actions as well as our words. I would like to end with this Bible reading from the end of Paul's 2nd letter to the church at Corinth:

Dear brothers and sisters, I close my letter with these last words: Rejoice. Change your ways. Encourage each other. Live in harmony and peace. Then the God of love and peace will be with you. Greet each other in Christian love. All the Christians here send you their greetings. May the grace of our Lord Jesus Christ, the love and God, and the fellowship of the Holy Spirit be with you all.

Faithfully yours,
Christine Garney

3rd QUARTER MISSION

Mariposa DR Foundation

The Mission for the third quarter is Mariposa DR Foundation which was founded in 2009 in the Dominican Republic, with the goal of helping women and girls find their way out of poverty. Girls from the DR and neighboring Haiti come to Mariposa (which means "butterfly") to receive education and learn work skills. The charity was begun by **Sherry Herdman**, cousin of church member **Kim Thayer**. Sherry visited us two years ago and gave us a few upcycled bags and potholders made by the girls.

250th ANNIVERSARY-9/20/20 2pm

The date set for the celebration of OSRC's **250th Anniversary is Sunday, Sept. 20, 2020.** Plans were underway, but came to an abrupt halt with the pandemic crisis. We are pleased to announce that **Rev. Jonathan Vanderbeck** will be our guest preacher at the **2pm service**. He is associated with Trinity Reformed Church in Schenectady, and is currently Schenectady Classis President. He was the preacher for **Pastor Jenn Legg's** farewell service, held at Bacon Hill in July 2019, and was very well received. Please keep this date in mind and mark your calendars to help us celebrate!

E-MAIL LIST CREATED FOR IMPORTANT ANNOUNCEMENTS

Please send an e mail to the office (oldsaratogareformed@gmail.com) if you have changed your email, or call the office with your new information You don't want to miss out!!

HYMNS OF OUR FAITH

"Sing to the Lord, ye saints of God." Psalm 30: 4

"I Heard the Voice of Jesus Say"

"I heard the voice of Jesus say, Come unto me and rest.

**Lay down, O weary one, lay down your head upon
my breast.**

I came to Jesus as I was, weary and worn and sad.

I found in him a resting place, and he has made me glad."

The hymn written by Horatio Bonar repeats the words of Jesus from Matthew 11: 28. "Come unto me, all who are weary and heavy laden and carrying heavy burdens, and I will give you rest." In the passage preceding, Jesus reveals his identity as one with the Father. He is speaking to the crowd that has followed him, who were probably on the margins of society, oppressed by the Roman Empire and often misled by their religious leaders. Their burdens were indeed heavy, but Jesus brings words of comfort, words that express hope when he says, "Take my yoke upon you and learn from me; for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light."

"Centuries have come and gone since Jesus spoke the words of invitation on which this hymn is based, but his voice is still heard unmistakably. The testimony of those who have responded is clear: the invitation is trustworthy; the promises sure."¹

Bonar (1801-1889) is from a long line of pastors who served a total of 364 years in the Church of Scotland. He wrote nearly 600 hymns, 100 of which are still in use in English speaking countries.

**"I heard the voice of Jesus say, I am this dark world's light.
Look unto me, your morn shall rise, and all your day be
bright.**

I looked to Jesus, and I found in him my star, my sun.

And in that light of life I'll walk, till traveling days are done."

BOTTLE AND CAN PROJECT

Can you help?

Old Saratoga has been collecting deposit bottles and cans to benefit church missions since 1995. The consistory would like to see the project continue as it helps benefit the church and community! We are looking for a volunteer (one or more) to oversee this project and make sure the bottles and cans are taken weekly to a deposit center. Please call the church office if you can help. **(518-695-3479)**

PROPERTY NEWS

During the first of the recent Friday evening storms, a wind gust blew the rear entry door nearly completely off its hinges. It is currently awaiting repair and will be returned to its place when that is completed.

The mowing company which we had hired found that they were unable to continue, and so we have hired another company to mow the church and parsonage lawns. Due to the dry weather, they have not yet had to come. This company will do the lawns for \$30 less than the other one, which is a welcome bit of news!

We hope that you will come to help when the committee schedules a cleanup day in early fall, to prepare the church and grounds for our 250th anniversary celebration!

GARDENER NEEDED

If you have an hour or two to spare each week and like to be in the outdoors, please consider volunteering to be the church gardener. We have three flower beds (one around the spotlight, one at the sign on the corner and one at the back entryway.) The two front beds need a few flowers for color, (you will be reimbursed for plants) and the back one just needs to be weeded occasionally. Call the office (518-695-3479) to offer your help! Thanks!

THANK YOU FROM THE de VELDERS

What a surprise you gave us on May 31 – my last Sunday (Pentecost) as pastor of Old Saratoga! After we live-streamed the service at 10am, **Christopher Tucker**, our Minister of Music, told David, Mikael and me not to go away, but to be out on Pearl Street because there would be a Drive-by Farewell! And indeed there was! We were so happy to see members and friends of the church and pastors and folks from the other local churches! **Jim and Cindy Brockamn** led the parade from the American Legion down Burgoyne Street and onto Pearl! Horns were honking, arms waving, beautiful car posters were on display along with balloons, cards and gifts! (I wish I could have slowed the whole thing down so we could stop and greet everyone!)

David, Mikael and I want to thank all who participated, those who organized the event, and to **Patrick Woomer** for recording it and putting it on Facebook! We felt very touched by your love and drive-by presence!

We love and miss you all!
Joyce, David and Mikael

CAMP FOWLER 2020

At its recent board meeting, the sad decision to not have Camp Fowler open for camp sessions and retreats this summer was made. Since campers/counselors and other attendees come from many areas in the state, the decision was made to keep everyone safe and healthy by not having camp this summer.

THANKS FOR OFFERINGS

Our church treasurer, **Chris Garney**, continues to be grateful to all of the members and friends of the congregation who have been regularly sending in their offerings, using the mail-in envelopes, and to those who have made arrangements with Tithely.com (**Check the church's website if you are interested in the online opportunity to give**)

FREE PIANO

There is a good used Wurlitzer piano in the church parsonage that was given to **Pastor Joyce** and family by one of our departed church members, **Midge Drew** (and her family.) It stands 37 ½ " high, 55" in width, and 25" deep. It just needs a little tuning up. Please give us a call if you'd like more information or would like to see it!

SUMMER OFFICE HOURS

Church Secretary Duffy Whitehouse will be coming in to the office on **Mondays and Fridays from 9:30-11:30am. The office will reopen officially for the fall on Aug. 18.**

WORSHIP CHANGES AT OSRC DURING COVID-19 PANDEMIC

REOPENING THE CHURCH

When the church is finally able to reopen, there will be some changes in place to keep us all safe.

1. Offering plates will be stationary at the back of the church for you to place your offering, if you have not made arrangements for on-line giving
2. Masks will be needed, with extra masks and hand sanitizer available. They are critical during singing!
3. All items which people touch will have been wiped down with sanitizing solution
4. Social distance will be observed, with seating in non-taped pews
5. Greet with a wave or elbow bump
6. Stairs will be one way- up on the Pearl Street side and down on the alley side
7. Family members should sit together. Others are encouraged to sit in the same pew each week.
8. Communion bread will be distributed over several plates to keep a "social distance" between bread pieces. Disposable cups will be used.

Please come to church, only if you feel confident about doing so. The services will continue to be live streamed for the time being, even after reopening.

PAYCHECK PROTECTION PROGRAM

Our church was granted a loan through the federal government's Paycheck Protection Program. This loan has allowed us to pay our employees during the pandemic without having to cash in any investments. We received \$10,400 for 8 weeks of payroll and utilities' expenses, which we are hoping will be forgiven at the end of the program. Even if we don't qualify for full forgiveness, the interest is only 1% which consistory felt was a better option than cashing in investments. We are very grateful to those members and friends of the congregation who have been able to send in donations, either by using mail-in offering envelopes or by making arrangements with Tithe.ly.com (link on our web page) as we still have a lot of other expenses.

CONGRATULATIONS TO NATHANIEL DEVELDER!

Nathaniel deVelder received a Ph. D from the University of Massachusetts in late 2019. His doctoral dissertation was in the field of wind energy. Nathaniel, his wife **Emily** and their baby son, **Elliot** will be moving to Albuquerque, New Mexico around Sept. 1 where he will continue the job he started on May 26, as a post-doctoral researcher in the field of wind energy.

“CONSISTORY CONNECTION”

At its last meeting, held on June 16, the consistory decided to tentatively reopen for worship on Sunday, July 12. A related article in this newsletter will detail what changes will be implemented to keep worshipers safe. In a normal year, the consistory does not meet in July. However, there will be a meeting held on July 13 this year, due to the importance of the decisions which must be made that will impact the coming several months. If you have any concerns, please contact **Paula Sheely** at pjsheely@yahoo.com or 518-695-4684.

Please support your consistory and classis leaders with your encouragement and prayers in these coming months. If you have any questions or concerns, please don't hesitate to contact a member of the consistory:

Elder Paula Sheely, Vice President
Elder Amberlyn Deyoe, Clerk
Elder Susanna Combs, Classis Rep.
Deacon Bruce Guerineau
Deacon Anne Mitchell

"Sometimes I just want it all to stop. Talk of Covid, protests, looting, brutality. I lose my way. Become convinced that this "new normal" is real life.

But, then I meet an 87 year old who talks of living through Polio, diphtheria, Vietnam, protests, and yet is still enchanted with life. He seemed surprised when I said that 2020 must be especially challenging for him. "No," he said, slowly looking me in straight in the eyes, "I learned a long time ago to not see the world through the headlines. I see the world through the people who surround me. I see the world with the realization that we love big. Therefore, I chose to write my own headlines. "Husband loves wife today." "Family drops everything to come to Grandma's bedside." He patted my hand. "Old man makes new friend."

His words collide with my worries, freeing them from the tether that had been holding tight. They float away. I am left with a renewed spirit. My headline now reads, "Woman overwhelmed by the spirit of kindness," and the reminder that our capacity to love is never ending."
